SUBJECT Transfer of Functions from the Office of Environmental Protection, Safety,
and Emergency Preparedness

TO Director of Administration, MA-2

Defense Programs (DP) concurs in the attached action memorandum transferring the Marshall Islands and Dose Assessment Programs from the Office of Environmental Protection, Safety, and Emergency Preparedness (EP) with the understanding that the FY 1984 funding levels of \$4.15M and \$1.4M, respectively, also transfer. Both programs are in the FY 1984 EP budget at the levels mentioned above. The FY 1984 DP budget does not contain any funding for these programs, and it cannot be incorporated until the FY 1985 budget cycle.

Consequently, funding transfers through FY 1984 should be added to the action memorandum before submitting it to the Deputy Secretary.
